WILLIAM WORDSWORTH

“This is the way,
and an ancient
right of way too”

A person is walking away from the camera on a dirt path that winds through a dense, green forest. The foreground is filled with tall, wild grasses. The background shows a thick canopy of trees, with sunlight filtering through the leaves, creating a soft, dappled light effect. The overall scene is peaceful and natural.

‘an epoch-making measure...a charter for the British people after their very long struggle to obtain rights of access to the natural beauty of this country’
