

# Designing spaces so the easiest behaviour is the right behaviour

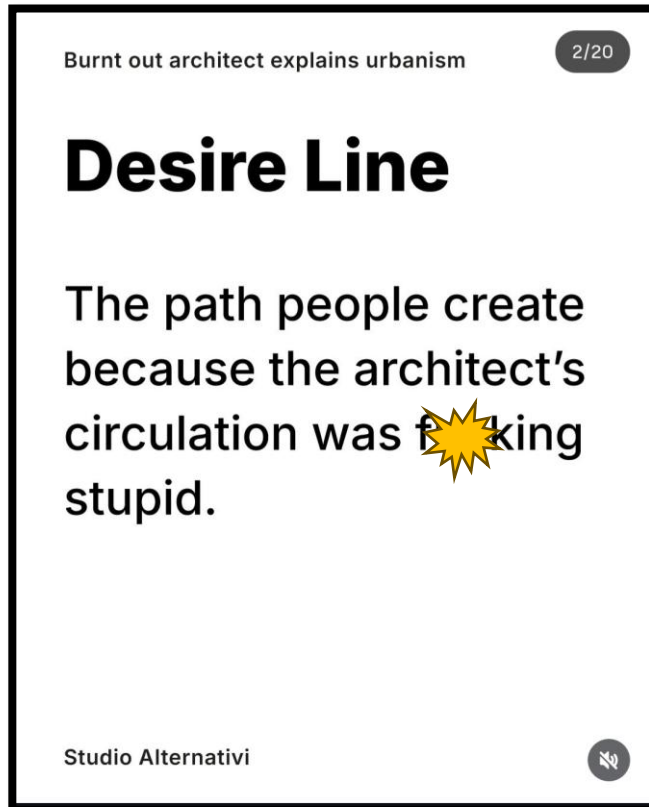

Lindsey Houston - Principal Landscape Architect

## #studioalternativi

## The problem – piecemeal development

---

## Another problem – chuck a sign at it!

## Setting a direction for the future

- Concept design and zoning
- Visitor flow and experience
- Vision or strategy
- Masterplan

## How?

- Review and audit
- Constraints and opportunities
- Accessibility and inclusion
- Detailed design and signage plan

## How can you do this?

- Not every organisation has landscape architects

But...

Forestry  
England

Growing the future
